Senior Class History

In the fall of 1937, Roll High School received a so-called class of "Green Freshmen" with a membership of twenty-four.

Members of the group included: Maxine Ballenger, Marjorie Brokaw, Howard Byall, Joe Cochran, Ralph Confer, Norman Fuller, Helen Garrett, Charles Holloway, Betty Hunt, Harry Johnson, Wilma Johnson, Frank Jones, Thomas Knight, Vivian Knox, Thelma Marsh, Richard McIlwain, Allen Michael, Charles Michael, Robert Morgan, Rachel Ross, Ruth Ross, John Sherley, Betty Speidel, Joan Tatman. Late in the first semester Thomas Knight moved to another locality but his place was taken by Leslie Beck in the second semester.

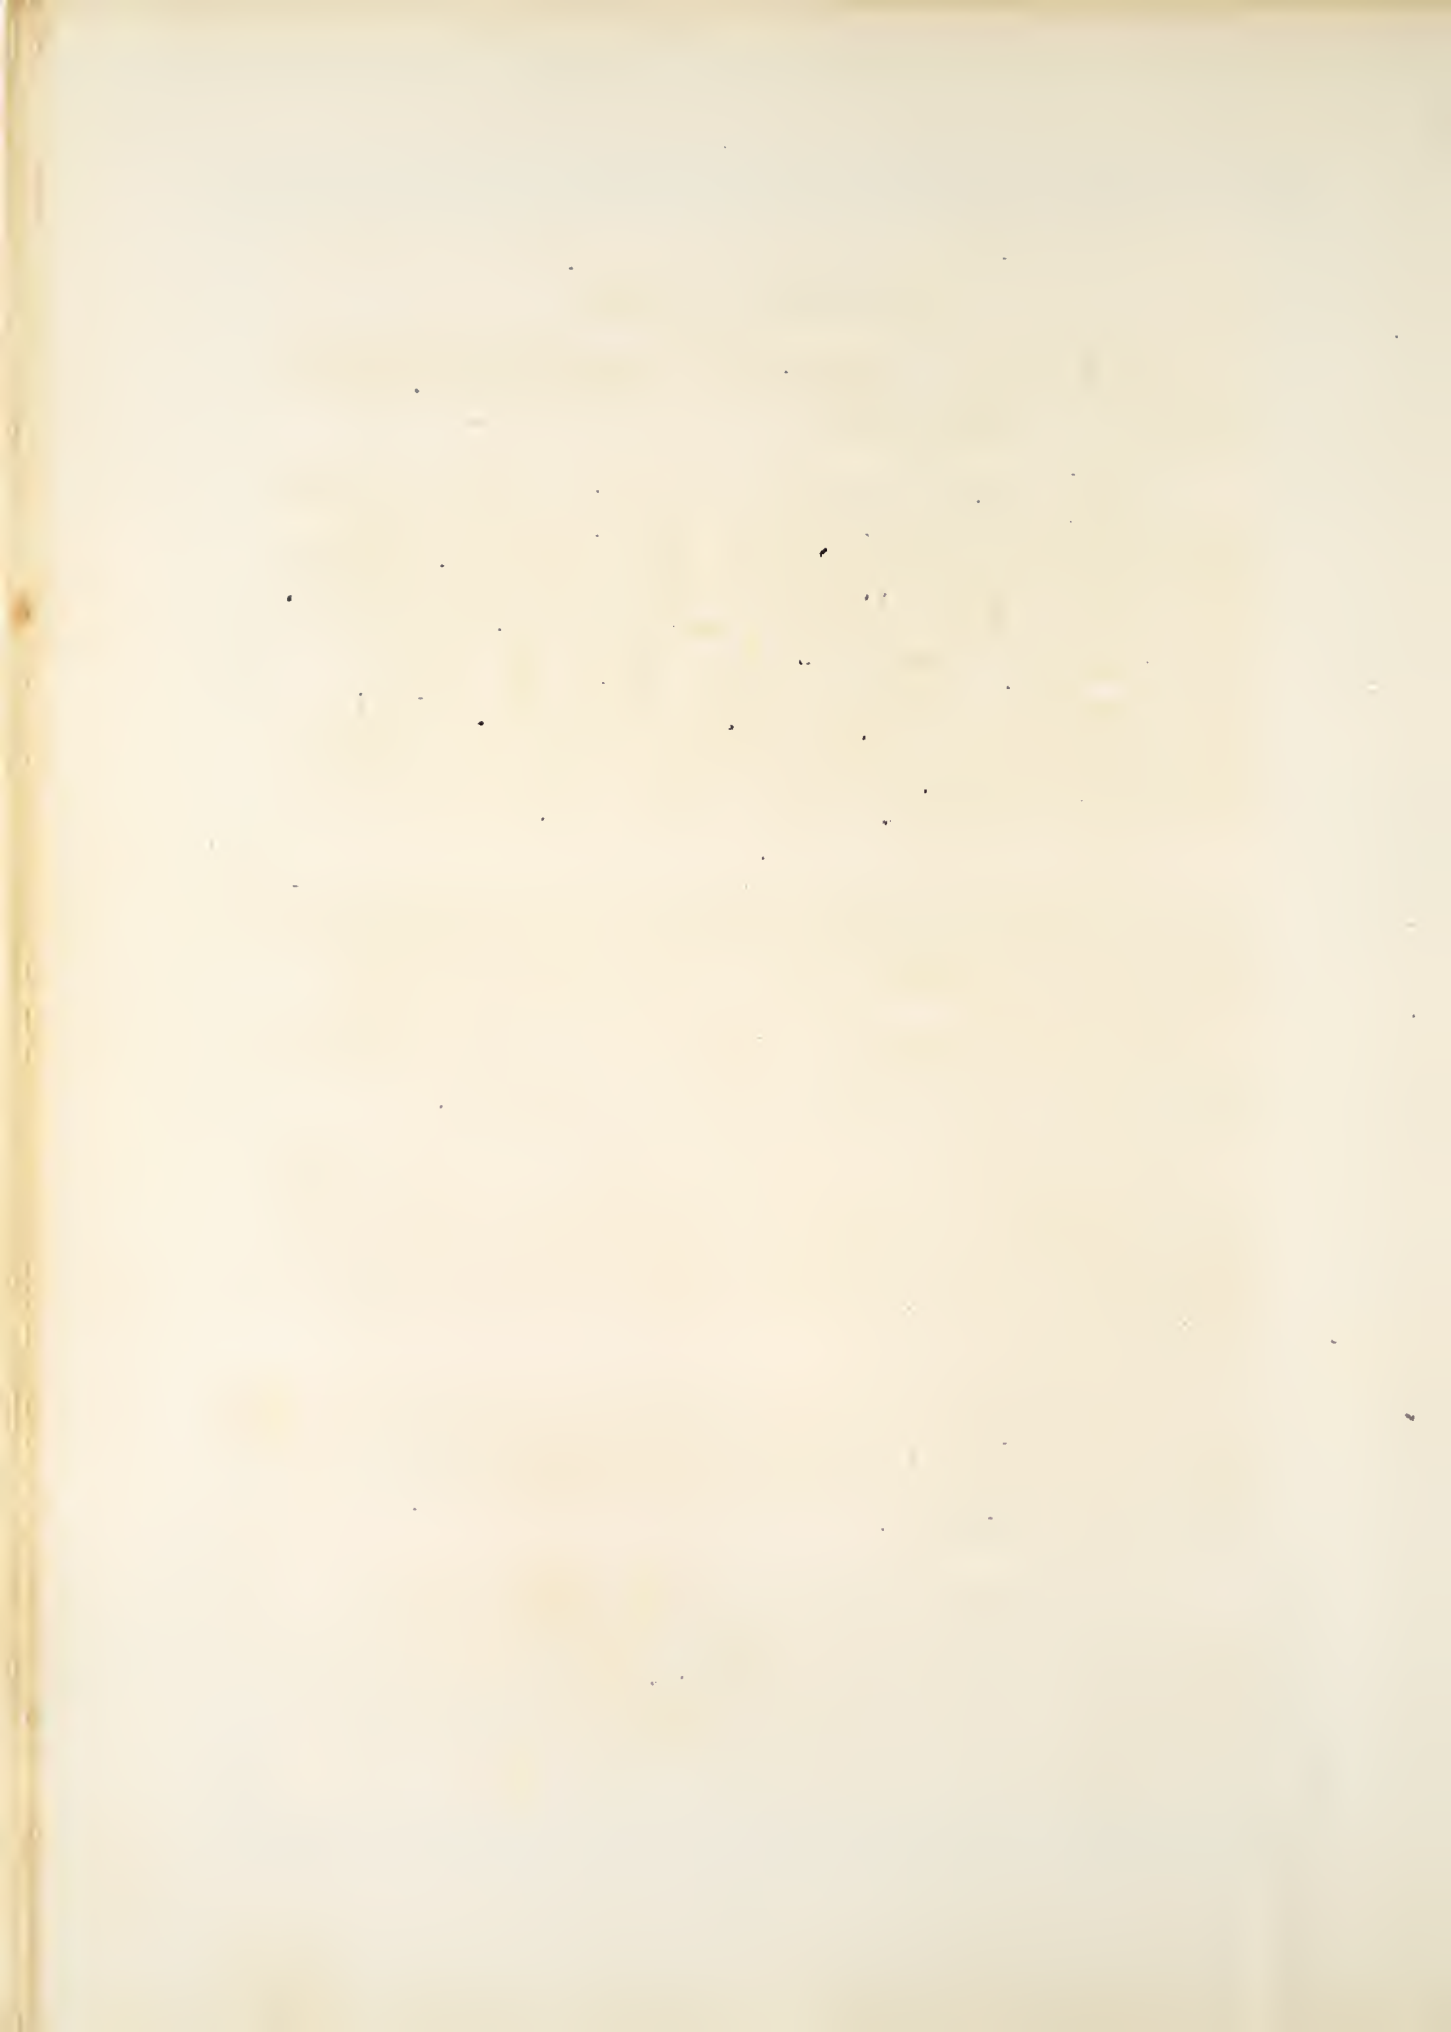

Class officers elected for the year were: President-Thelma Marsh; Vice-President-Wilma Johnson; Secretary-Charles Holloway; Treasurer-Frank Jones; Reporter-Vivian Knox; Sponsor-Miss Kelley.

The most important events of the year included the unforgettable Freshman initiation, and a class party held at the home of Charles Holloway.

The Sophomore year, 1938, found the class back at Roll High with exception of three who were: Leslie Beck, Helen Garrett, and Betty Hunt. Late in the second semester Thelma Marsh moved to a school in the northern part of the state, leaving us a membership of twenty.

At the first class meeting the following officers were selected for the year: President-Howard Byall; Vice-President-Vivian Knox; Secretary-Treasurer-Charles Holloway; Reporter-Thelma Marsh; Sponsor-Mr. Johnson.

The principal events of this year were the Freshman initiation, for which the class furnished refreshments; and the Halloween Carnival, in which all members took an active part. Also class parties were held at the homes of Vivian Knox and Norman Fuller, and a farewell party was held at the home of Vivian Knox for Thelma Marsh.

The third year, 1939, ushered us in as "Jolly Juniors". There was still a membership of twenty. At the first class meeting the following officers were elected: President-Ruth Ross; Vice-President-Richard McIlwain; Secretary-Vivian Knox; Treasurer-Charles Holloway; Reporter-Joe Cochran; Sponsors-Miss Melba Grove assisted by Mr. Johnson.

October 10, the class enjoyed a party held in the new gymnasium. The class participated in the initiation this year by furnishing decorations. December 6 and 7 a three-act play entitled "Second Fiddle", was presented by the class, under the direction of Miss Grove and Mr. Johnson.

April 13, the class entertained the Seniors with a banquet at "The Colonnades", an old colonial home in Alexandria, Indiana. After dinner was served the party was taken to Muncie, Indiana, where they enjoyed a show at the Strand Theater.

The fall of 1940 found twenty "sophisticated" Seniors enrolled. The following officers selected to carry on during the year were: President-, Charles Holloway; Vice-President-Wilma Johnson; Secretary-Allen Michael; Treasurer-Norman Fuller; Reporter-Frank Jones; Sponsor-Mr. John Cushing.

At the first of the year a class party was held at the home of Marjorie Brokaw.

Next came the Freshman party. This year the class decided to change the "rough and tough" kind of initiation to a rather formal one. A very fine supper was given in honor of the boys and girls starting out to acquire a little knowledge in the halls of Roll High School. The food was furnished by the three upper classes. After the supper games were played, special music was furnished by members of the high school, and speeches were given by the Senior and Freshman class presidents, and sponsors of both classes.

The publication of the annual high school yearbook, the "Rollonian", was sponsored by the class. In order to stimulate the sale of the "Rollonian", the class was divided into two groups under the leadership of Ralph Confer and Charles Holloway.

Confer's group chose "The Trail-blazers", as their name and Holloway's group chose "The Whoiling-doivishes", as theirs.

Next came the Senior Class Play entitled, "Faith, Hope, and Flarity," which was a success.

The years activities were closed by the Junior-Senior Reception.

Final activities were conducted by the class and sponsor during Senior Week.

Senior Class Poem

We entered Roll High as "Green Freshies",
Our good times had just begun,
We worked hard from morning till evening
Striving toward the goal to be won.

In '39 we enrolled as "Sophties",
This meant more work and less play,
But still our good times continued
In the same old lack-a-daisical way.

In '40 we were called "Jolly Juniors",
And this name was well implied,
We had very good times together,
Though our pleasures were sometimes denied.

At last we arrived "Dignified Seniors",
With our motto, "Onward to Success",
For four years the teachers have helped us,
Through problems at R. H. S.

Now that we're leaving old Roll High,
Going out in the world on our own,
With regret we turn our faces away
From hard work and good times we have known.

Senior Class Prophecy

I, Rachel Ross, star reporter for the Roll Sentinel, was assigned to interview a famous scientist in New York City.

After getting lost several times, I finally found myself on the seventy-first floor of the Apollo Building. I knocked on the door of suite 13; the door opened, and I was greeted by a middle-aged man with a short beard and mustache. Can you imagine! It was John Sherley, a graduate of my class in '41.

Since we were old friends, it was no task to find out about his work in the realm of the physical sciences.

"I have developed the most amazing invention ever created. Shall I demonstrate it to you?" said John.

"Yes," I eagerly cried.

He seated me in a hollow sphere, then began to move the numerous levers on the side of the machine. I heard a low whining noise, and suddenly the craft rose up into the air stopping at an altitude of 35 miles.

"Now comes the great invention," he said as he manipulated the dials at his side. "I shall transform the cosmic rays of the stratosphere into a magnetic radio-active ray, which I have named the "Z" Ray. It will show on this radio screen what anyone is doing today. What would you like to see?"

"Let's see what our old classmates are doing."

"Conditions are perfect," said John after adjusting several cosmic condensers, "Let us proceed."

First there appeared on the screen a large dairy farm near Marion, Indiana. Upon observation, I saw the words "Holloway's Dairy Farm" written on one of the barns. This undoubtedly belonged to

Charles.

The scene changed to a factory office where a number of girls were busy at various duties. As one of them turned from a file case, I recognized Wilma Johnson. I noticed a ring on her left hand, so I guess - - - - -

The scene shifted to another part of the factory where several men were working. In charge of them was a small man who appeared to be a foreman, and upon looking closer I recognized him, Richard McIlwain. He was assisting some of the men, among whom I recognized a former classmate, Norman Fuller. I wondered if he and Maxine were married. But I was not kept in doubt long as the next picture showed a little bungalow in the suburbs of the city; and there was Maxine busy cleaning house!

For the next few seconds everything on the screen seemed to be alive with excitement, and I realized that I was being shown a busy section of a large city. I noticed one shop with the sign "Betty's Cafe" outlined in bright lights. In smaller letters I saw the words "Betty Speidel, Proprietor." Next the scene shifted to the interior of the kitchen, and was I surprised; the chef was Charles Michael!

In contrast to the unrest of the city the next scene pictured a more quiet atmosphere--a farm near Hartford City. There was Ralph Confer happily engaged in tilling the soil!

And Frank Jones! He was in Hollywood acting as a double for Clark Gable. We always knew he would make it because of that black wavy hair.

Another of our classmates was also in Hollywood--Vivian Knox, private secretary to Samuel Stephens, producer of "Return With the Breeze."

The scene then changed to a beauty parlor in an Indiana city, where I saw Ruth Ross, beauty operator, giving a wave set. Then it dawned on me why Virgil's hair was always so curly!

Anderson was the setting for the next picture.

Joan Tatman was working there in the Delco Remy plant.

I was not all surprised next to see what Allen Michael was doing. He was following in the footsteps of his father, like we thought he would, trading horses and raising coon dogs.

The next view showed a business office of the Shyster Law Firm. And the senior partner of the firm--who should it be but Howard Hamilton Byall!

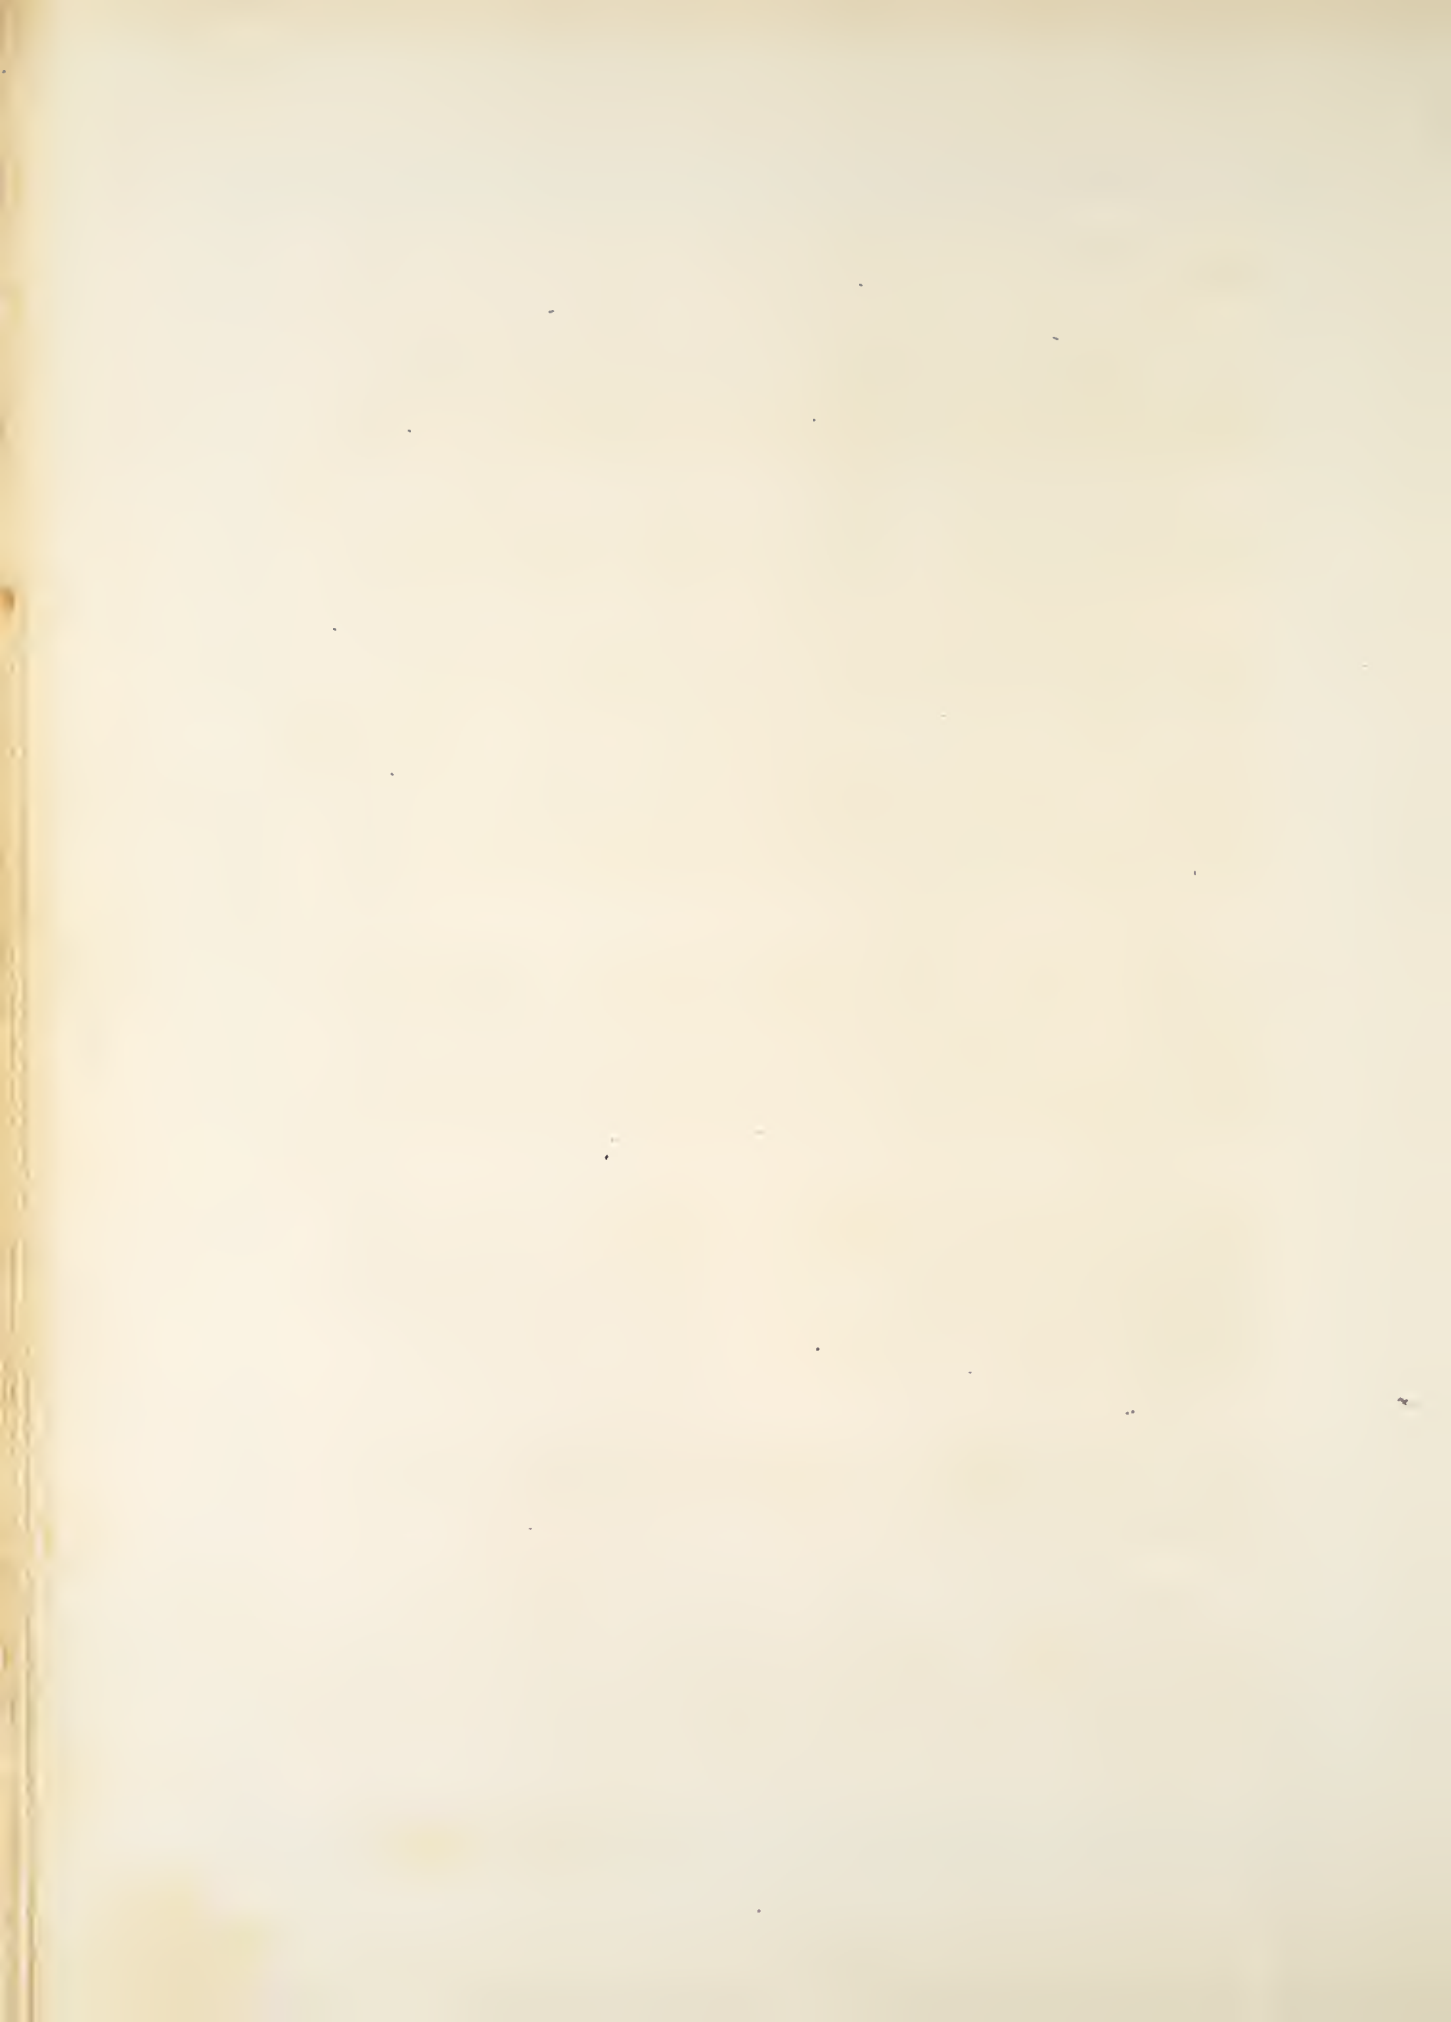

I was certainly amazed at the scene which took place in Florida. As the picture became clearer there came into view a little country church and a lovely cottage surrounded by palm trees. Apparently the minister and his wife were leaving for church. I did not recognize the minister, but his wife looked familiar and at the next glance I realized that she was another graduate--none other than Marjorie Brokaw!

The screen then pictured a large gymnasium in New York City. The New York Cossacks, national basketball champions, were engaged in a battle with the Renaissance team. The man playing center for the Cossacks was Harry Johnson. Harry has surely grown up since he left Roll. He's 6'10" now.

There was one member of the class that seemed hard for Sherley's machine to catch. He zipped from one town to another with great speed, never remaining long in one place. Finally the instrument caught up with him, and we saw Joe Cochran doing dare-devil stunts for a large automobile factory.

Next I saw Robert Morgan. "Morgie" had just hit a home run for the New York Yankees. They say pitchers are poor hitters, but "Morgie" seemed to be doing well at both.

The last scene portrayed an institute for aged teachers near Huntington. There, sitting on the lawn, was a man looking very tired and discouraged. Upon closer observation, I observed that he was not really very old but had had great worries. I didn't think it was anyone I knew, but as he turned his

head I suddenly realized that it was our senior class sponsor, John Cushing. I guess we did cause "Cush" lots of trouble.

After these many surprises, I thanked John for the interview and started homeward, satisfied to know that my classmates had all done well.

Junior Class History

In every well-organized High School the person who finds himself for the first time a Freshman is a little weak in the knees, so it was with us when we first entered Roll High School three years ago. There were only fifteen of us, and we were as small in size as we were in number. We enjoyed a few parties and an initiation during the year.

When we came back the next year we were pleasantly surprised to find Mary Jean Love, Jean Murphy, Vonna Jean Sutton, Richard Yencer, and Clarence Murphy eager to join us but we were very deeply grieved to hear that George Banter, Russell Townsend and Imogene Monroe thought it best to leave us. At the first of the second semester Martha Younts joined our happy throng, while James Capper and Mary Jean Love left.

The Junior year found us all present except Vonna Jean Sutton and Lea A. Reading who decided they had enough knowledge.

We started the year out right by electing Byron Banter-President, Gail Hahn-Vice-President, Betty Abbott-Secretary, Wilma Coons-Treasurer, Mary Nelson-News Reporter, and Mr. James McJilton class sponsor.

Like true Juniors we presented a play called "The Black Derby".

We have selected the rose as our class flower and are also very faithfully living up to our motto "Grin and Bear It".

We are looking forward to next year, our Senior year, as one of our best years. We are not large in number, but we can make up for this in pep and enthusiasm. Who knows, we may get more members by next year!

Sophomore Class History

Our class, which included twenty-two members, entered Roll High in the fall of 1939. At our first class meeting we elected the following officers: President--Cecil Robb; Vice-President--Lillian Banter; Secretary--Juanita Glancy; Treasurer--Herschel Shelton; Reporter--Elvin Collins; Sponsor--Miss Kelley. We received the class colors of green and white, an old custom at Roll. We enjoyed several parties throughout the year, including the Freshman Class Initiation. (We furnished the entertainment!)

We were unfortunate in losing four students: Maxine Love, Betty Gosnell, Robert Ducey, and Robert Keller. At the last of the year Martha Raber joined our ranks.

In the fall of 1940 Roll High found in its midst twenty industrious pupils; who, upon their entry, assumed the name of Sophomores. Wilma Crockett joined us this year to help fill the vacancy left by the four students who had withdrawn. At our first class meeting we elected the following officers: President--Lillian Banter; Vice-President--Cecil Robb; Secretary--Elvin Collins; Treasurer--Juanita Glancy; Reporter--Norma Tatman. Our sponsor, Miss Kelley, is still faithfully by our side to help us with our problems. Our class selected Old Rose and Silver as its colors, and the Red Rose as the class flower.

We participated in the all-school party given in honor of the Freshmen. Also several class parties were held throughout the year.

We expect to be around Roll for a couple of years yet, so Roll, beware, here comes a class of hard-fighting, hard-working students!

Freshman Class History

In the month of September, 1940, about twenty-eight greenhorns began a study of the higher arts in high school.

Officers were elected in the early part of the year as follows: President--Barbara Lillibridge; Vice-President--Kenneth Ross; Secretary--James Roderick; Treasurer--Vera Garrett; and Class Reporter--Maxine McCombs.

Mr. Johnson was chosen class advisor and sponsor. Class colors of green and white were selected and kept as a Freshman tradition. For a class flower we chose sweet peas.

A few weeks before the great event of our lives, the Freshman initiation, we were informed that dire happenings were to take place on a certain day in October.

Were we pleasantly surprised when we found, not a rough initiation, but a formal and serious type of ceremony. To clinch the evening a carry-in supper was furnished by the upper classes. We vote that this sort of initiation should be continued, especially the food portion!

We have had two parties during the year--a Halloween party at the home of Barbara Lillibridge and a Christmas exchange at school.

So you see we're not so green as people paint us, and if you don't believe it just watch this Freshman class in the years to come!

The Rollicking Red Rollers

Charles Holloway
(Lady Killer)

Holloway played guard this year, and proved to be a great help to the team. He is lost by the graduation route this year. His shoes will be hard to fill next year.

Allen Michael
(Mike)

Mike alternated at guard and forward this year. He is very hard to handle under the basket. He is also lost by the graduation route.

Charles Michael
(Sam)

Sam played forward this year. This is the third year for Sam and he has shown wonderful development in that time. He, too, graduates this year.

Frank Jones
(Clark Gable)

Jones played guard this year, and was always depended upon to score a few points, although he is rather backward about shooting. He also graduates this year.

Harry Johnson
(Ichabod)

Ichabod played center again this year. He is a very tall lad, and hard to handle under the basket. He is also one of the highest scorers. He graduates this year.

Norman Fuller
(Jake)

Fuller played forward this year and has proved an asset to his team. He, too, is lost by the graduation route this year.

John Sherley
(Bert)

Sherley played guard this year. He really has the drive and the will to fight. He will be missed by the team. He, too, graduates.

Robert Morgan
(Al)

Morgan played forward this year. He is small but fast and can really scrap for the ball. He also graduates this year.

Howard Byall
(Roscoe)

Byall played center on the second team and reserve on the first. He is also lost by the graduation route this year.

Richard Yencer
(Banny)

Banny held down a forward position this year. He played on the second team and was a reserve for the first. Due to his ineligibility he was unable to participate the first half. He is a junior, and we expect great things from him next season.

Herschel Shelton
(Hersh)

Hersh, a sophomore, played regular on the second team and is a reserve for the first. Although small, he can really handle the ball and we expect to see great things from him in the next two years.

Cecil Robb
(Robb)

Robb, also a sophomore, played forward on the second team. He is also a reserve for the first. He can really move and scrap for the ball. He should develop into a good ball handler within two years.

Student Managers

(Richard McIlwain)
(Robert Smith)

Mac and Smith have been the student-managers for the past year. We think they have done a good

job. Mac graduates this year and we expect Smith back next season to take charge of the suits and balls.

Yell Leaders

(Joan Tatman)
(Vivian Knox)
(Juanita Glancy)

By popular vote again this year the same yell-leaders were re-elected. They did a good job of swinging the cheers and were always on hand to do their part in leading the cheers for the "boys".

Our Coach

John Cushing has been our head coach for the past two years. He served as assistant coach in 1938, working hard with the second team. He has developed a fine spirit of cooperation among the players that has led to many a successful game. More power to you "Cush"! Keep up the good work!

The Blind Tourney

This year, Roll lost the annual blind tourney. The drawing was held, Saturday afternoon at one o'clock at the Montpelier High School. Roll drew Pennville for the first game in the afternoon and Montpelier drew Chester Center for the second game.

In the afternoon, Roll was defeated by Pennville by a score of 27-17.

In the second game, Montpelier defeated Chester Center to earn the right to participate in the finals.

In the consolation game, Roll lost to Chester Center by a score of 25-15.

In the final game, Pennville used their superior height to defeat the smaller Montpelier outfit and were then declared the winner of the tourney.

The Sectional Tourney

On February 28, 1941, Roll was scheduled to play Gray at 3:00 o'clock. The Rollers defeated the Gray outfit, the best team Gray has had for the past 16 years, by a score of 37-21.

By defeating Gray, the Rollers advanced to the Semi-Final round Saturday afternoon to meet the fast Dunkirk Speedcats. Due to clean playing, and superior ball handling, the Rollers clipped the Speedcats (a team rated to take the Sectional) by a score of 25-19. Fuller, Roll Forward, one of the fastest men on the team, dislocated his elbow and didn't see any more action during the remainder of the Sectional.

Roll advanced to the Finals Saturday night to play the Portland Panthers, who had defeated Madison Twp. in the other Semi-Final game. Due to injuries received in the afternoon game, the Rollers were defeated by a score of 37-26.

In conclusion, we are proud to say the Rollers played a fair, clean style of ball. It is the first time in the history of Roll High School that a Roll team has advanced to the final game of the Sectional. The Ice has been broken, so let's win a sectional soon, TEAM!

Second Team

The Second team had a very successful season this year, winning sixteen out of twenty games. Defeats were meted out by Montpelier, Bryant, Gas City, and Chester Center. Of the four teams, two --Gas City and Chester Center--were defeated in return games by the (lawn mowers."

This record indicates that Roll should have a strong team in the future. Also there are quite a number of promising under-graduates on the squad this year.

The members of the team include: Gail Hahn, Clarence Murphy, Jack Sharp, Byron Banter, Bruce Byall, Elvin Collins, Robert Vincent, Jesse Michael,

Henry Horton, Eugene McIlwain, Norman Stoner, John McMillan, Fred Johnson, Kenneth Ross, Ralph Morgan, Teddy Cline, Glen Trosper, Amos Brokaw, Delbert Pulley.

"R" Club Trophy

The annual "R" Club award, a silver cup, was presented this year to Charles Holloway. Recipients of the trophy are selected on the basis of scholastic standing, citizenship, sportsmanship, and value to the team.

Honor Awards "Basketball"

This year the basketball awards were presented at the annual banquet held in honor of the team. Graduating seniors who received sweaters were:- Charles Holloway, Allen Michael, Charles Michsel, Howard Byall, Harry Johnson, Norman Fuller, Frank Jones, John Sherley, Robert Morgan, and Richard McIlwain. Underclassmen receiving letter awards included: Richard Yencer, Cecil Robb, Herschel Shelton, and Robert Smith.

Sweaters also were presented to Vivian Knox and Joan Tatman, graduating senior yell leaders. Juanita Glancy, underclassman cheer leader, was awarded a letter.

Class Tourney

The annual class tourney this year was won by the seniors.

The Sophomores were able to edge out the Freshmen in the first game 29-23 in an overtime. The Seniors defeated the Juniors in the second game 41-25. In the consolation game the Juniors outscored the Freshmen 23-13, and the Seniors turned on their scoring power to swamp the Sophomores 71 to 24.

From all indications, Roll should have a strong team in the future considering the amount of promising material. So, on to the state, Roll!

The Girl Reserve Club

The Girl Reserve Club is a branch of the Young Women's Christian Association, and its purpose is to bring to the Girl Reserves an understanding and appreciation--not only of herself and of others, but of God as creator and director of their world.

A Girl Reserve should try to attain the best, to face life squarely, to give her best, and to be reverent to God.

The Girl Reserve Club met in September, 1940, and the following officers were elected: President--Rachel Ross; Vice-President--Mary Nelson; Secretary--Ruth Ross; Treasurer--Maxine Ballenger; Reporter--Martha Troxell. Miss Grace Kelley was appointed advisor.

New members initiated into the club were: Delilah Ballenger, Wilma Crockett, Lena Fuller, Virginia Gadbury, Vera Garrett, Julia Horton, Maxine McCombs, Alice McConkey, Bonnie Pierce, Martha Younts, Jean Murphy, Thelma Ross, Pauline Stoll, Kathleen Jones, Barbara Lillibridge, and Martha Raber.

The main activities of the year included: Chili suppers and basketball games, Christmas party, Valentine party, basketball supper, and Mothers' Tea.

The Hi-Y Club

The Roll Hi-Y Club, which was organized in the Spring of 1940, met again this school year and elected the following officers: President--Charles Holloway; Vice-President--Richard Yencer; Treasurer--Gail Hahn; Secretary--Clarence Murphy; Chaplain--Ralph Confer; and Sergeant-of-Arms--Clarence Walker.

On December 12, 1940, eight new members were initiated into the Club. It was decided to hold a regular meeting every Wednesday of the odd weeks.

During the first week of January the Club

took a trip to the Muncie Y. M. C. A., there enjoying any recreation they wished such as: swimming, playing ping pong, pool, or basketball. Following this, they attended a show. On January the 8th Mr. Montgomery from Hartford City presented an interesting address at the school building. Later the 17th of January, the Hi-Y Club had a roller skating party at Marion. The boys invited their girls and after skating visited the so-called "Haunted House" in Marion.

On February 3, 1941, the county superintendent, Fred Glancy, took a number of officers to the Ball State Teachers' College at Muncie for a meeting of the various Hi-Y groups. in the fifth district. The next evening an invitation to meet with the Hartford City group was accepted. Entertainment included swimming, group games, etc.

The Club plans to hold a meeting once a month this summer as it did the previous summer, during which trips were made to Marion and Muncie, and a roller skating party was held at Hartford City.

The program committee furnished the Club throughout the year with very interesting talks, trips, and moving pictures; all events being held at the school building.

The Glee Club

The Glee Club was organized shortly after the beginning of school in the fall of 1940 under the leadership of Mrs. Helen Baney, a new member of the faculty. This year twenty-five students enrolled in the organization. John Sherley was elected to serve as president, Ruth Ross as Sec. & Treas., Cecil Robb as Librarian, Vivian Knox as pianist, and Wilma Johnson as her assistant.

During the year the boys' quartet composed of Robert Smith, Elvin Collins, Charles Michael, and John Sherley sang at the Farmers' Institute.

Members of the club are: Marjorie Brokaw, Lillian Banter, Betty Speidel, Wilma Crockett, Betty Dutro, Martha Raber, Martha Troxell, Norma

Tatman, Juanita Glancy, Joan Tatman, Rachel Ross, Ruth Ross, Wilma Johnson, Vivian Knox, Ruth DeBatty, Delbert Pulley, Elvin Collins, Bruce Byall, Robert Smith, Jack Sharp, Joe Cochran, Charles Michael, Charles Holloway, John Sherley, and Cecil Robb.

Boy Scouts

This organization has been doing excellent work in character building. People have come to expect a higher standard of conduct from its members than from other youths. The Boy Scouts realize this and are eager to prove themselves worthy of confidence.

The local troop has performed a much needed service by assisting with traffic at basketball games. It also helped in the fight against infantile paralysis by collecting money at two games.

The members of Troop 63 for this year are: Byno Clevenger, patrol leader; John McMillan, patrol leader; Charles Yates, scribe; Robert Dick; Robert Gadbury; Stanley McClelland; Charles Sharp; James Holloway; Hobart Sutton; Carroll Bole; and John Robinson.

The local troop committeemen are Vaughn Johnson, H. A. Morgan, and W. H. Cline. James McJilton and Dale Wagoner, Scoutmaster and assistant, are in charge of troop activities.

Home Economics

Two classes of Home Economics, a very helpful and interesting subject for girls, are being taught this year under the supervision of Miss Grace Kelley. The members of the freshman class taking the first year course studied "Preparation of Foods for Breakfast and Lunch" the first semester. The second term this group studied the subjects, "How to be Well Dressed," and "The Construction of Clothing."

The other girls were placed in the third year home economics class. This group was composed of sophomores, juniors, and seniors. The first semester, "Home and Social Relations" and "Housing the Family including Money Management," received their

attention. The second semester was spent in "Solving Clothing Problems."

Members of the classes are as follows:

Freshmen--Barbara Lillibridge, Ruth DeBatty, Julia Horton, Kathleen Jones, Vera Garrett, Pauline Stoll, Delilah Ballenger, Bonnie Pierce, Alice McConkey, Lena Fuller, Thelma Ross, Maxine McCombs, and Virginia Gadbury.

Sophomores, juniors, and seniors--Lillian Banter, Maxine Ballenger, Wilma Coons, Juanita Glancy, Norma Tatman, Betty Speidel, Ruth Ross, Martha Troxell, Martha Younts, Jean Murphy, Rozhonna Palmer, Betty Dutro, Wilma Crockett, Martha Raber, Betty Abbott, Mary Nelson, Betty Vincent and Lola Tarr.

Roll High School Orchestra

The Roll High School Orchestra this year is under the direction of Mrs. Helen Baney. Members and their instruments are as follows: James Holloway, Cornet; John Robinson, Cornet; Juanita Glancy, Alto Horn; Charles Holloway, Clarinet; Rozhonna Palmer, Clarinet; Virginia Gadbury, Violin; Martha Troxell, Guitar; Ralph Confer, Bass Drum; Vivian Knox, Piano.

The Orchestra played popular music the first part of the year. New books were purchased and orchestrations were used the last semester. Although the Orchestra never played before the public, they have a good time and enjoy working together.

Faculty Changes

Faculty changes in both grade and high school occurred this year.

Mrs. Helen Baney, a graduate of Central Normal College at Danville, Indiana, replaced Miss Melba Grove who resigned because of impending marriage.

Mrs. Baney is an experienced instructor having

taught in Stilesville, Indiana. She also has acquired considerable bookkeeping experience from a former position at Rochester, Indiana.

In the grades Miss Edith Wright, at present a student in the Marion College, was replaced by Dale Wagoner, graduate of the two year course from Ball State Teachers College. He has eight years teaching experience in the grades and comes to Roll from the Thayer school in Newton County, Indiana.

To you teachers, the Senior class extends a hearty welcome, and it is our hope that your stay will be educationally both profitable and pleasant.

The Junior Class selected a rather novel and exciting play for their annual presentation this year. The play opens with Ted and Jane Bronson, brother and sister, living in a house that their father has recently purchased. They are finding living decidedly dull when lots of things begin to happen. There has been a murder, a criminal escaped from the nearby penitentiary, and notes left to them by "The Cobra" to leave the house by midnight or Jane would be killed. Betty Kay, who is supposed to have wrecked her car, comes to the house on the pretense of seeking help, and Tom Randall, a supposed College boy, pops in from nowhere. Mickey, who also appears quite suddenly, brings a lot of laughs by his actions. A hick detective, Mr. Wimple, arrives and begins his investigation. Before the murderer is caught Mr. Wimple's

hat and coat disappear, the lights are turned out several times by some unknown person, The Cobra abducts Cora but brings her back, the lemonade is doped, and The Cobra returns and captures Jane. After many other exciting events the Cobra, who turns out to be Tom Randall, is finally caught.

Agriculture Club

The first meeting of the Agriculture Club was held November 4, 1940, and the following officers were elected: President--Gail Hahn; Vice-President--Clarence Murphy, Jr.; Secretary-Treasurer--Richard Yencer; Reporter--Ted Cline. Other members included Harold Johnson, Eugene McIlwain, Ralph Morgan, Charles Yates, Byron Banter, Thurl McDermit, Clarence Walker, Jack Sharp, Robert Smith, Elvin Collins, Cecil Robb, Robert Vincent, Delbert Pulley, James Roderick, Bobby Joe Speidel, and Bruce Byall.

Activities during the year included a pest-killing contest won by a team under the leadership of Elvin Collins. Other members of the winning group included Robert Vincent, Clarence Murphy, Clarence Walker, and Jack Sharp. Another activity which created considerable interest was a nail-driving contest won by Clarence Murphy. A party was held Monday, February 17, 1941, for the winning team in the pest-killing contest.

This organization, under the direction of James McJilton, is rapidly becoming one of the standard clubs of the high school. Although the club has been organized for just a year, considerable interest has been shown in its development.

The Senior Class this year selected a three act comedy which provided plenty of laughs for the audience. The following is a brief synopsis of the play:

How to sidestep an unwelcome marriage planned by an autocratic father is the headache that upsets the tranquility of the Crabbe twins, Faith and Hope. One must marry Terence Flarity, son of Quadlander Crabbe's old war buddy, or be disinherited. In the temporary absence of their father and Mrs. Orkney, who aspires to become their stepmother, the twins make up as ugly as possible, hoping that Terence will refuse to propose. Meanwhile, their boy friends, Monty and Reggie Van Twiller, drop in to spend the evening, and, because of a visit from a gossipy cousin, nicknamed Poison Ivy, the girls have to produce a chaperon. They prevail upon Sally, the house-maid, to impersonate Mrs. Orkney. Young Flarity then appears on the scene with his pal, Jack Quinlan. Inspired by the same idea as that of the twins, Terence has disguised himself with a red wig and some freckles, hoping that the twins will not accept him. But he reckons without their promises to their father and soon finds himself engaged to both of them. To complicate matters, the elder Flarity arrives, and Quadlander Crabbe unexpectedly returns, thus necessitating the sudden abandonment of both disguises. Upon removing their ugly make-up, Faith and Terence quickly fall in love, while Hope and Jack Quinlan follow suit. But now the tables are turned and the two fathers bitterly oppose the match, having fallen hard for the masquerading Sally and squabbled over her. How the young people finally straighten out their affairs makes a fitting climax to this farce.
